

Wifi for Visitors

1. From the Wifi settings on the device or computer, choose the **TESD-BYOD-Registration** network.
2. Open the Internet browser on the device. If the Tredyffrin/Easttown School District BYOD Portal does not launch, visit <http://www.tesd.net>. The BYOD Portal should launch.
3. On the **Sign On** page, click on **Don't have an account?**
4. Complete the required fields on the **Create Account** page.
 - a. First Name
 - b. Last Name
 - c. Cell Phone Number (must have device with you)
 - d. Cell Phone Provider (choose from drop-down list)
5. Click **Register**.
6. A SMS (text) message will be sent to your cell phone containing your sign on credentials.
7. On the **Sign On** portal page, enter the **User Name** and **Password** that was sent. Click **Sign On**.
8. Scroll to read and **Accept** the Acceptable Use Agreement.
9. Registration is complete and access to the TESD filtered Internet will be granted for 24 hours.
